Declaration

Applicants have previously submitted the original executed Declaration on June 10, 2005 along with a check in the amount of One Hundred and Thirty Dollars (\$130.00).

However, the Notice indicated the Declaration must be furnished within the applicable time period to complete the requirements for acceptance of this application under 35 U.S.C. 371. Applicants undersigned Attorney's office contacted the USPTO on July 21, 2005 to inquire whether the original declaration was received.

Applicants' undersigned Attorney's office was informed by Ms. Barbara Campbell to resubmit the June 10, 2005 Communication. Applicants hereby resubmit a true copy of the June 10, 2005 Communication as **Exhibit 2** (7 pages) including a copy of the duly executed declaration of the inventors.

Sequence Listing

The June 29, 2005 Notice further indicated that this application does not contain a Sequence Listing as required by 37 CFR 1.821(c), and that a copy of the Sequence listing in computer readable form has not been submitted.

In response, Applicants respectfully maintain that the application does not contain any nucleotide sequences, and therefore, a sequence listing in paper and computer readable form is not required to satisfy the requirements of 35 U.S.C 371.
